Sapthagiri College Of Engineering, Bengaluru

Visvesvaraya Technological University (VTU)

B.E(Bachelor of Engineering) in Information Science & Engineering

Dec 2022 - May 2026

CGPA: 8.4

D.A.V Public School, Jamshedpur

Intermediate (CBSE)

Mar 2020 - Mar 2022

Percentage: 72.4

Sri Krishna Public School, Jamshedpur

Matriculation (ICSE)

Mar 2019 - Mar 2020

Percentage: 84.6

Skills

Programming & Scripting: Java, Python, JavaScript, Core OOP principles

Cloud & Databases: SQL (MySQL), JDBC, Knowledge of Cloud Infrastructure (AWS).

Web & DevOps Tools: HTML, CSS, React.js, REST APIs, Tailwind.

Core Fundamentals: Operating Systems, Data Structures & Algorithms, DBMS, AI Prompts

Tools & Version Control: Git, GitHub, VS Code, IntelliJ IDEA, Jupyter Notebook

Projects

Apna Taste :

Tech: Java, SQL, Html, CSS, JavaScript, React.js, JDBC, Github, Tailwind CSS

Team Members: 2

Description:

- Built a **full-stack food delivery platform** enabling users to explore and order authentic **Desi cuisines and sweets** online.
- Developed a **responsive and modern UI** using **React.js, Tailwind CSS, and JavaScript** for a smooth user experience.
- Implemented secure **backend services** using **Java, JDBC, and MySQL (SQL)** for **user authentication, menu management, order processing, and transactions**.
- Designed and integrated **REST APIs** to ensure seamless communication between **frontend and backend systems**.
- Used **Git and GitHub** for **version control, collaborative development, and project management**.

Prep Master :

Tech: Java, SQL, OOPs, Html, CSS, React.js, JDBC, Github, Exception Handling, Collections

Team Members: 2

Description:

- Created a **web application** for practicing categorized **interview questions** on **Java, OOP, Exception Handling, and Data Structures**.
- Developed the **backend** using **Java, JDBC, and MySQL (SQL)** for **storing questions, tracking user progress, and efficient data management**.
- Designed a **responsive and user-friendly frontend** using **React.js, HTML, and CSS**.
- Implemented key features like **topic selection, quiz attempts, and progress tracking** to enhance the **learning experience**.
- Collaborated in a **2-member development team** using **Git and GitHub** for **version control, testing, and smooth code integration**.

Certifications

AWS Academy Cloud Foundations | AWS Academy

Certified in foundational AWS cloud concepts including global infrastructure, core services, security, architecture, and pricing. Demonstrating the ability to support and manage cloud-based solutions.

Introduction to Modern AI | Cisco Networking Academy

Certified in foundational Artificial Intelligence concepts including AI fundamentals, machine learning basics, real-world AI applications, and ethical use of AI. Demonstrates understanding of how modern AI technologies are used in industry.

Achievements

YouTube Content Creator Created a knowledgeable and development tips; gained 10 M+ views organically.

Personal Details

Father's Name: Late Shyam Shankar

D.O.B: 06-11-2003

Address: #3, 2nd C main road, 8th block, Koramangala, Bengaluru

Declaration

I hereby declare that the above details are true and correct to the best of my knowledge.
